

## TERTIARY STUDENT GRANTS 2011

In 2011, procedures introduced last year for adjudicating these awards were continued. Some institutions did not receive full allocation, because of paucity of applicants.

24 grants totalling \$16750, were awarded, varying from \$500 to \$1,000. Two grantees\* have deferred their studies this semester, so payment of grants awaits their re-enrolment
